Imagine waking up in a place where the sea and outdoor activities are the protagonists, surrounded by the beautiful Parc dels Aiguamolls de l'Empordà. This is the dream that can come true with this apartment located in Empuriabrava, the largest residential marina in Europe. Here you will find the perfect balance between adventure and tranquility, with the possibility of practicing adventure sports or simply enjoying a boat ride through the marina's canals. Also, there is the possibility of getting to know the neighboring medieval towns or simply taking a walk through the beautiful landscape of the area. But this apartment is not just a place to enjoy nature, it is a true home with all the comfort you need for a perfect stay. With a capacity for five people, fully furnished and equipped, it has an American kitchen and a living-dining room with access to a terrace, where you can enjoy pleasant gastronomic moments or simply relax with a good book. The double room with a custom-made bunk bed for three people is perfect for a family or friends getaway. Don't miss this unique opportunity to live your dream life on the seafront in Empuriabrava. Contact us and we will help you make this dream come true. Your paradise awaits you!
